Call to Action...here are many ways you can help! (Choose 3 ✓)

- € Share information about high quality early childhood programs available to support your employees/families
- € Commit to match funds secured through federal appropriation, philanthropy, or other sources to support quality early care and education in Idaho.
- € Contact your state Senators and Representatives and ask them to support public investment in the state's early childhood education programs.
 - Tax Credits-, [Using Tax Credits to Promote High Quality Early Care and Education Services](#)
 - Present a voluntary structure for quality early learning programs
 - Measure quality in early learning programs
- € Encourage your legislators to send a letter to their caucus leaders asking them to support the state's early childhood education programs as they negotiate the budget.
- € Create an Early Learning Investment Speakers Bureau to talk to business membership organizations...Rotary, Kiwanis, Chamber of Commerce, etc.
- € Agree to write and submit an Opinion Editorial (OP ED) and/or Letter to Editor.
- € Tell friends and/or colleagues about what you heard today and let us know if you need additional materials to share with others interested in learning more!
- € Stay in touch! Tell us what you are hearing from your policy makers and help us to address these concerns by letting us know what they are. Allow us to send you updates on the issues

Small children need big champions...become one today!

Idaho AEYC 1471 Shoreline Dr., Ste. 202 Boise, ID 83702 208-345-1090 x16 kmason@idahoaeyc.org
