

Mentor biography:

Name: Molly Tyler

Education level: B.S. in Elementary Education; CDA

Areas of expertise: Apprenticeship; CDA On-line course mentor; Relationships with Families

Number of years in the early care and education field: 1

Regions in which I would like to mentor/coach: Region 2

What mentor/coaching means to me: It means the opportunity to share and encourage an attitude of success, confidence, and communication, and to help direct and build on the education and experience of others who want better care for young children.
