

Mentor biography:

Name: *Cathie Johnson*

Education level: *Masters*

Areas of expertise: *Early Childhood prenatal, infants, toddlers, preschool, and school age, families, small business, management*

Number of years in the early care and education field: *over 25 years*

Regions in which I would like to mentor/coach: *3 and 4*

What mentor/coaching means to me: *I enjoy sharing the wealth of goodness that comes from working with children, providers, and families. Mentor/coaching is a unique and responsive training opportunity from giving pats on the back to being part of major quality changes so work with children, staff, and families is effective. Working one-on-one with a provider for quality improvements and finding innovative ideas is a unique and responsive training opportunity. Mentoring is joyful!*
