

Mentor biography:

Name: Heather Irons

Education level: Master's Degree in Early Childhood Education from Boise State University

Areas of expertise: Infants, toddlers, preschoolers, after-schoolers, curriculum development, program development, leadership development, communication, parent-teacher relationships, classroom management

Number of years in the early care and education field: Thirteen

Regions in which I would like to mentor/coach: III and IV

What mentor/coaching means to me: My passion is ensuring that every child and every early childhood professional has the opportunity to reach their maximum potential. By joining the Idaho Stars Mentoring/Coaching program, I hope to help others reach their goals by offering my support, resources, and experiences.
