

Mentor biography:

Name: Molly Acosta

Education level: Bachelor Degree in Bilingual Elementary Education, Additional Credits in Early Childhood Education

Areas of expertise: Child Development (prenatal to 3rd grade), Literacy and Math Activities, Building relationships with families, Interactive Literacy Activities for families, Apprenticeship, CCHC, GED Testing, Child Observation and Assessment.

Number of years in the early care and education field: *5 years*

Regions in which I would like to mentor/coach: *3 and 4*

What mentor/coaching means to me: As a Mentor/Coach my goal is to support child care workers in providing quality childcare to Idaho's children. I believe our young children deserve to be in an environment that encourages them to reach their full potential. I also believe that childcare workers want to provide the best environment for the children in their care. I want to be the bridge that connects these providers with the skills that will support their aspirations.
