

## **Mentor biography:**

Name: Page Borgholthaus

Education level: Masters of Arts in Education

Areas of expertise: NAEYC Accreditation, Inclusion of children with special needs, Montessori method of education, business aspects of child care and preschool

Number of years in the early care and education field: 40 years

Regions in which I would like to mentor/coach: Region 4

What mentor/coaching means to me:

I enjoy the early childhood environment! It is challenging to me to assist others in creating unique nurturing places for young children. It is the most exciting time in a child's life and the excitement is catching. I like to share any experience that I have had that might be useful.
