	<p>**Academic Scholarships will be limited to incentives specific to the Academic Scholarship plan only. Academic scholars are not eligible for Level or Anniversary or Training Scholarships during their Academic contact. Academic scholars can move levels with completion of college credits but they will only receive the level move incentive upon the actual completion of their degree. Related Fields include Elementary Education, social work, child psychology all with a minimum of 30 semester credits dealing with children and family studies. For Anniversary Incentives participants must complete a minimum of 15 Hours of IdahoSTARS approved training or 1 college credit in ECE in a 12 month cycle. Note: college credits are calculated by semesters.</p>
