### **IdahoSTARS QRIS STAR Rating Scale – Family Child Care**

The maximum number of points on the STAR Rating Scale is 50.

The IdahoSTARS QRIS uses a *composite scoring system*, meaning that minimum standards are set for earning 1 or 5 stars, and facilities are free to accumulate more points in the standards as they see fit.

**In order to earn 1 STAR** (or higher), a home facility must earn at least 15 points by meeting all of the Tier 1 requirements. 15 points represents at least one point in each Quality Standard.

**In order to earn 5 STARS**, a facility must meet all requirements in Tiers 1 - 3 and earn at least 42 points.
