

## QRIS Strengthening Families Worksheet: **Strengthening Families Self Assessment Summary**

List the items that your Parent Work Group rated *poor* from each Self-assessment form that you have completed. These are the areas to work on first. Ask the team to evaluate whether each practice should be worked on immediately, mid-range, long-range, or not at all. Use these decisions to help create the Strengthening Families Action Plan below. Copy this worksheet if you need more space.

Program Strategy--number	Item number and brief description	Immediate	Mid-range	Long-range	Not at all—(note why)
<i>Example: Respond to Family Crises--#3</i>	<i>#7—Staff know how to respond appropriately to family crises. Item d—staff receive training on ... recognizing signs of imminent crisis .</i>	X (see action plan)
