

Early Learning Conference SPONSORSHIP OPTIONS

June 13-14, 2025
Boise Centre

Our goal is to empower, educate and support early learning professionals across the state of Idaho while helping them build connections and utilize Idaho AEYC resources.

What is Idaho AEYC's Early Learning Conference?

We are bringing early education professionals together to learn, grow and reflect on the vital work they do every day by providing resources and support to enhance quality early learning experiences. Attending Idaho AEYC's Early Learning Conference qualifies individuals for training hours through the IdahoSTARS project, helping ensure child care professionals are equipped to provide the best care for Idaho's children.
