Crib to Kindergarten–Preschool Grant Committee

Strategic Plan

October, 2020

Vision Statement:

The Vision of the Crib to Kindergarten Committee is to have a community that works together to provide equal access to knowledge, resources, and quality materials for all children, newborn to age 5, and their parents/families/guardians in Fremont County by the Fall of 2022.

Mission Statement:

The Mission of the Crib to Kindergarten Committee is to gather information, data, feedback, funding sources, and understanding in order to make recommendations to meet our vision statement, and design a system where everyone works together to create the crib to kindergarten program.

The Crib to Kindergarten/Preschool Grant Committee met on October 7th, 14th, and 21st to create our Strategic Plan in implementing our transition from early childhood education to kindergarten goals. We created the above Vision and Mission statements. From these statements and from the results of our Needs Assessment, we created the following goals and strategies for implementation.

These meeting were held remotely and were attended by most members of the committee. Information from these meetings was shared during and after the meetings on interactive agendas (Google Documents) as well as with other worksheets pertinent to the Strategic Planning.

EARLY EDUCATION GOALS:

Goal #1: By the fall of 2022, Fremont County School District will increase the number of non-developmental preschool students by 50 positions.

Goal #2: By the fall of 2021, Fremont County School District will increase the number of students served by early educational/care programs such as Head Start, Migrant Headstart, the Infant Toddler Program, and the number of parents served by the Parents As Teachers (PAT) program by 10.

Goal #3: By the spring of 2022, Fremont County will develop a system of interaction and training (professional development) with current preschool/daycare providers that will include materials and communications with staff and patrons.

Goal #4: By the fall of 2022 a scholarship fund will be created, with the help of ICCP (Idaho Child Care Program) and other funding streams, for parents who meet the criteria for financial aid.

Goal #5: By the fall of 2021 the Crib to Kindergarten Committee, with the help of a grant writer, will arrange for funding through grants, government programs, and local assistance to fund the Crib to Kindergarten initiatives.

Goal #1: By the fall of 2022, Fremont County School District will increase the number of non-developmental preschool students by 50 positions.
